

In accordance with Article I, section 15 of the CC&R Amendment, homeowners wishing to remove trees on their property must submit a request in writing.

1. Criteria for approval includes trees that

- Impinge upon a structure (i.e., roof fence or gazebo)
- Have roots interfering with driveways, walkways or foundations
- Have been damaged by storm, insects or disease

Requests not meeting these criteria will be evaluated on a case by case basis.

2. Owners who remove trees without first obtaining Board approval are subject to \$500 fine, as described in Section 3A of the 1992 Rules and Fines Clarification.
