GAF Timberline HD	Weathered Wood	

Brand/Model	Color	Example (Actual color may be different than photo)
CertainTeed Presidential TL	Shadow Gray	
CertainTeed Presidential TL	Autumn Blend	

Brand/Model	Color	Example <small>(Actual color may be different than photo)</small>
CertainTeed Presidential TL	Weathered Wood	
CertainTeed Presidential Shake	Same Colors as TL	

Brand/Model	Color	Example (Actual color may be different than photo)
Owens Corning* Woodcrest	Chestnut	 A close-up photograph of Owens Corning Woodcrest Chestnut asphalt shingles. The shingles are dark brown with a fine, granular texture. They are arranged in a traditional overlapping pattern, with each shingle overlapping the one below and to the left. The lighting is even, highlighting the texture and the slight undulations of the shingles.
